is intended for feeding pilgrims and it is not the intention that anybody should permanently be fed in it or be permanently paid a monthly allowance from it. A departure has been made in the case of persons who are blind of both eyes or suffer from similar disabilities incapacitating them for work and such persons are given a small allowance from the Chattrams but there is a diversion ~~from~~ of the (Welfare) subject with which Chattrams were founded.

Ramswamy Jasty is suffering from no such disability but inquiries show that he is extremely poor. Mr. Dhanabati Chetty who was here a few days ago told me that Ramswamy Jasty and his people were taking only one meal a day. Now if we go in for the relief of every ~~indigent~~ person in poor circumstances we do not know where we will stand. There is plenty of power in the land and Chattram funds are not intended for the relief of the power-stricken.

The Dy Commr states that

There is a vacancy ^{among the} ~~in~~ the Volume 1800
and that it may be given to Ram
Sanyal but this is an erroneous
idea. An allowance is given to a
person on certain considerations
but if he dies it cannot possibly
be called a vacancy.

For the Tulamasa
Santhapane at Paschimabahi, there
has been for years past an excessive
expenditure and the Board of Directors
has been requested to report whether the
expenditure could not be limited
to the budget grant. If there is
any saving in the Serampore
Santhapane, it ought to be applied
towards the expenses of the Tulamasa
Santhapane and there would
be no justification for the grant
of a fresh Volume (Fund members) replied

I agree with the suggestion. It will
not be correct in principle to accept the
recommendation made. Moreover it will
if sanctioned, help to establish a very
undesirable & increasing precedent.
